

Dear SGPath colleagues,

We are pleased to have the opportunity to announce herewith our 1st Hepato-Pathology Symposium in Berne on the 13th of December 2018.

The course will focus on the question: “Which questions to ask your pathologist in hepatology and which answers are to be expected?”

The presentations will be as informal as possible and will offer the possibility of exchanging opinions between Hepatologists and Pathologists in Switzerland. We expect approximately 40 participants. A CME credit of 5 points has been granted from SGGSSG and SGPath.

Sponsorings from several companies will cover a broad portion of the costs for the course, meals and coffee breaks. The registration fee for each participant is therefore only 100 Swiss francs.

You are welcome to register until October 19th 2018. The registrations will be accepted on a „first come, first serve" basis.

Please find the provisional program and the registration form on the SGPath website (registrations can be sent to bettina@endresprojects.ch).

We are looking forward to seeing you or your fellow in Berne.

Please contact Bettina Endres (bettina@endresprojects.ch) for any further questions.

Warm regards,
Matteo Montani
