Re: SDiPath Founding Assembly Meeting Program and Membership Announcement

Dear Colleagues

We cordially invite you to join our first Founding Assembly of the Swiss Consortium for Digital Pathology (SDiPath) Working Group.

Thursday, January 10th, 2019
14:00-17:00
Institute for Pathology, Mikroskopie Hörsaal, University of Bern

Meeting program

14:00-14:45   Invited talk- Prof. Manfred Claassen, Institute for Molecular Systems Biology, ETH, Zurich. Topic: deep learning and clinical application.

14:45-15:15   Coffee break

15:15-16:30   What's on the market? Topic: Slide scanners + LIS with discussion

16:30-17:00   Closed session to regular (non-industry) members only

1 FMH credit point per hour will be allocated to this meeting

Participation to the meeting is open to all with an interest in digital pathology. If you would like to **attend the meeting**, please send an email to inti.zlobec@pathology.unibe.ch

SDiPath is accepting **membership applications**. If you are not already on the SDiPath mailing list and would like to become a member, please send a short CV and statement of interest to inti.zlobec@pathology.unibe.ch.

We are looking forward to seeing you soon,

Inti Zlobec   Rainer Grobholz   Andrew Janowczyk

Translational Research Unit   Institut für Pathologie   Bioinformatics Core Facility
Institute of Pathology   Kantonsspital Aarau   Swiss Institute for Bioinformatics
University of Bern
