

NPIC Digital Pathology Webinar Series

Innovation into Practice

- **The National Pathology Imaging Co-Operative (NPIC) is excited to present a brand new FREE 8-part educational webinar series on digital pathology.**
- **Learn first-hand about hot topics in clinical digital reporting, the digital laboratory, IT and informatics and get a chance to pose your questions to the experts!**
- **Suitable for pathologists, biomedical scientists, informatics and IT professionals, managers and industry representatives. CPD approved.**

Session One Registration Open Now:

Local to Regional to National - Lessons learned from expanding clinical digital pathology from a single laboratory to a national network

Date: 17th June, 3pm-4pm London time

Duration: 60 mins (40 mins educational presentations + 20 mins Q&A)

Cost: FREE

In the first webinar you will:

- Learn from early adopters about deploying and expanding digital pathology in clinical settings
- Get practical tips and advice and pose your questions to our speakers and chair!
- Find out more about the upcoming FREE webinar schedule!
