June 10, 2023

Organized by the German Division of IAP and the Vladimir Totović Foundation

WELCOME NOTE

Dear Sir or Madam,

In August 2022, the German Division of IAP organized a One-Day Virtual Symposium to support Ukraine. More than 300 participants from Australia, Austria, Belarus, Belgium, Canada, Croatia, Estonia, Finland, France, the UK, Georgia, Germany, Hungary, Ireland, Italy, Ivory Coast, Latvia, Macedonia, New Zealand, Pakistan, Portugal, Romania, Slovenia, Spain, and Switzerland participated in the Symposium. 150 Pathologists from Ukraine participated free of charge.

Due to the positive feedback and numerous requests to repeat the format, we have converted it into a Vladimir Totović - Memorial Symposium. The first Vladimir Totović - Memorial Symposium will be held on Saturday, June 10, 2023, from 08:50 - 16:20 CET.

To enable easy access for all participants, the course will be offered online and is free of charge.

We are indebted to our many renowned speakers for supporting this symposium with their lectures and look forward to sharing this exciting event with you.
